Director's Report:

1. The Friends of the Library, Kids', and About pages of the library's website have been updated.
2. The Friends of the Library are hosting activities in honor of National Library Week from April 5-10. The theme is "Grow your love of the library." The main activities will take place in the Reading Garden on April 10 or in the Lion's Hall if the weather is inclement.
3. Now that things are getting back to normal with the pandemic, the Board will be reviewing library policies on its normal 3 year schedule.

Friends of the Library report

1. No report available at this time.

Pandemic response update

1. Area COVID cases have decreased and more people have been vaccinated, so library capacity has increased to 5 browsers and 3 computer users at a time. Social distancing and appointments are still required (although patrons can be admitted without an appointment if there's room). The library hasn't had to turn anyone away due to capacity limits.

Policy review

1. The Board reviewed the Child Safety and Reference Services Policies. No changes were recommended.

Meeting adjourned at 5:50 pm.
